

Landon Curtis

WEB DESIGNER

WORK EXPERIENCE

Mathnasium

February 2026 – Current

Assist students with math through one-on-one instruction. Assign and grade worksheets and assessments. Foster a safe and fun environment to spark confidence for students who may be struggling.

Little Caesars Pizza

September 2025 – April 2026

Made pizzas, added toppings, fulfilled custom orders, packed pizzas, and served customers according to their needs. Created a fun and friendly experience for customers, while providing them with custom pizza orders.

Stella's Ice Cream

June 2025 – August 2025

Served ice cream while creating connections with customers. Answered questions about flavors, answered the phone, created a friendly and welcoming customer experience.

Jordan's Garden Center and Seasonal Market

April 2023 – November 2023

Assisted customers and helped guide towards the goods that were needed. Worked and managed the cash register. Watered plants and transported pumpkins.

RELATED EXPERIENCE

A/V with Hope Lutheran Church

Helped diagnose technical issues, designed, organized, and clicked through slides during church. Setup and livestreamed for online users.

Designed and Coded Websites

Created websites for school projects and actual businesses. Coded a fun holiday-themed website for the Boise State University, Department of Financial Aid. Designed Hi-Fidelity prototypes using Figma and Adobe XD.

COMMUNITY SERVICE

Boise River Cleanup

Partnered with my church to walk along the Boise River and pick up trash.

English Learning Center

Taught non-native English speakers how to communicate in English.

Spalding Elementary

Taught first graders how to read and tutored them with projects.

Idaho Diaper Bank

Packed and organized diapers so people could easily grab them as needed.

Astegos

Unpacked, organized, and sorted clothes between sizes. Sorted and combined pairs of shoes.
